

Another fundraising initiative for CanTeen from Clarius Group – Support us and donate generously

On August 14, twenty Clarius Group staff members across the brands from Sydney will be participating in the 14km City2Surf to raise much needed funds for CanTeen.

In the past two years, Clarius Group has partnered with CanTeen and raised an enormous \$50K through various initiatives to help young people living with cancer. This is the first year Clarius have added City2Surf as part of their fundraising for CanTeen and hope to raise funds and awareness while raising a sweat!

Support us and donate generously at http://www.fundraise.city2surf.com.au/clarius_group
All funds goes to Canteen and donations over \$2 are tax-deductable.

CanTeen is an Australian not-for-profit organisation dedicated to support 12 - 24 year olds who are living with cancer. To find out more about this charity, visit <http://www.canteen.org.au>.
