

## A Day Really Does Make A Difference!! Over \$22,000 worth of difference in fact!!

Clarius Group and its group of specialist recruitment companies has successfully raised over \$22,000 for Canteen by becoming the first corporate in Australia to participate in the 'What a Difference a Day Makes' campaign whereby staff contributed one day's pay to Canteen.

This together with selling bandana's on National Bandana Day at our York Street (Sydney) and Collins Street (Melbourne) offices which sold out by midday at both locations, as well as, combining our regular contributions through the Work Place Giving Scheme helped create this fantastic result.

The brilliant result achieved way exceeded any expectations that we had upon embarking on this exercise. We would like to take this opportunity to thank all those that contributed a day's pay, those who purchased a bandana and our regular Work Place Giving Scheme contributors.

The result that we have achieved just goes to show the impact that people can have when they come together for a cause. For more information please contact [charity@clarius.com.au](mailto:charity@clarius.com.au) or visit [www.canteen.org.au](http://www.canteen.org.au)
